Business Ethics
Training Course

COURSE LENGTH: 1.0 DAYS

Business ethics are the rules that guide a company's, and individuals within that organization, acceptable behavior towards one another. Learn the ethical business practices that are necessary to maintain a good reputation and harbor harmonious relationships within the business community by attending PD Training's Business Ethics Training Course.

By the end of this course you will have covered the following topics: a clear understanding of business ethics and ethical decisions, awareness of your business and social responsibilities, how to identify unethical behaviors, knowing when to "blow the whistle", balancing business and personal ethics, implementing a business ethics policy in your workplace and much more.

This comprehensive training course is available across the U.S., including Atlanta, Austin, Baltimore, Birmingham, Boston, Charlotte, Chicago, Dallas, Houston, Jackson, Los Angeles, Manhattan, Miami, New York, Orlando, Philadelphia, San Antonio and Seattle.

BUSINESS ETHICS TRAINING COURSE OUTLINE

FOREWORD

Every day key decisions are made about how resources are used and consumed in the enterprise. The ethical imperative is to ensure that resources are used in the most appropriate way within the context of the organization and the broader context of the organization in the community.

Ethics should maintain a positive effect on the employees surroundings, creating an atmosphere of decision making that fosters help and not harm. This course will pose a series of questions that will form the basis of a practical ethical framework.
