COURSE LENGTH: 0.5 DAYS

When creating written communications in the workplace, it is essential that the details of the communication be correct, while the basic layout of the document is appropriate, and the ideas or information is presented logically and effectively.

Business Writing Essentials for the Modern Workplace course teaches participants how to assure the effectiveness of any type of business writing, whether its reports, proposals and even emails, and ensures these documents are written using the correct sentence structure, grammar and formatting.

Participants will learn key business writing skills like planning the document content, writing for the reader, various conversational styles, the use or avoidance of industry jargon and multiple types of document styling.

This is a practical class that is suitable for all audiences and provides people with the tools that they can apply on-the-job (and in other contexts) the very next day.

This is an instructor-led class that you can attend from home or your office.

We use secure Video Conferencing with interactive features such as live polling, screen sharing, whiteboards, live chat and breakout sessions. Please discuss your preferred platform, most commonly we use Microsoft Teams, Skype for Business, Webex or Zoom upon request.

These training courses are conducted in English, and are open to people from different industries across the USA, Canada, Australia, New Zealand, the United Kingdom, Singapore, Malaysia and Hong Kong - this is a short but powerful learning experience that gives you global collaboration opportunities.

Our trainers and processes have been refined to give you a personalised learning experience where it is specifically targeted to your needs. See our outcomes in the reviews below.
