**COURSE LENGTH: 1.0 DAYS**

Businesses need to have the flexibility to adapt to the continuously changing needs and requirements of their customers, as well as of the government regulatory bodies, to stay competitive. The Change Management training course is designed for managers and group or team leaders who are responsible for the successful implementation and management of changes in their organizations.

This Change Management training course teaches the following: effective change management strategies, the importance of resiliency and flexibility to accept changes, the skills to successfully lead the business or organizations through the changes and much more.

This comprehensive training course is now available across the U.S., including Atlanta, Austin, Baltimore, Birmingham, Boston, Charlotte, Chicago, Dallas, Houston, Jackson, Los Angeles, Manhattan, Miami, Orlando, New York, Philadelphia, San Antonio and Seattle.

---

## CHANGE MANAGEMENT TRAINING COURSE OUTLINE

---

### FOREWORD

Change is no longer a choice. Organizations wishing to be successful can no longer afford to view change as a periodic activity, but change must be embedded in the culture of the organization.

This course will help you to develop the skills and the knowledge required to promote the use and implementation of innovative work practices to effect and manage changes, so that there are minimal disruptions at the workplace.

---

### OUTCOMES

**By the end of this course, participants will be able to:**

- ▶ Prepare an effective change management strategy
