## DELIVERING CONSTRUCTIVE CRITICISM TRAINING COURSE OUTLINE

---

### FOREWORD

Constructive Criticism must be provided correctly to maximize its impact and benefits. During this training course in delivering constructive criticism, participants receive training in choosing the right place, time and occasion for giving criticism; setting goals; preparing and planning a healthy criticism; and understanding the role of emotions and reactions in delivering constructive criticism.

Effective criticism helps in the management of human resources. It reduces/eliminates problematic behaviors and conflicts that negatively impact an organization. When an employee commits an action that requires feedback or criticism, it needs to be handled skillfully.
