1.0 DAY COURSE

This Managing Difficult Conversations Training course teaches you the right approach and strategies to manage and turn potentially difficult conversations into positive discussions with positive outcomes.

After completing this course, you will have learned to: establish the intent of a conversation and its desired outcome, manage your body language, create a conversation template and personalized action plan, stay in control of the conversation throughout, speak persuasively, listen actively, use probing techniques and much more.

This comprehensive training course is available across the U.S., including Atlanta, Austin, Baltimore, Birmingham, Boston, Charlotte, Chicago, Dallas, Houston, Jackson, Los Angeles, Manhattan, Miami, New York, Orlando, Philadelphia, San Antonio and Seattle.

What You'll Gain:

Managing Difficult Conversations require specialized knowledge and skill development because they are tough to handle without specialized skills. During this training course, participants develop an understanding of where, when, why and how to conduct difficult conversations.

The goal of this course is to empower professionals to be in control of a difficult conversation at all stages of it so that they can achieve the desired outcome. Mastering communication is a necessary skill in the management of human resources, handling of customers, and team management.
