## MEETING MANAGEMENT TRAINING COURSE OUTLINE

---

### FOREWORD

Managers spend substantial time planning, attending and running meetings, yet they are too often perceived as unproductive and frustrating experiences.

When meetings are effectively run, people are engaged and can generate collaboration, trust, deliverables, commitment and actions that lead to a desired outcome. They enjoy participating and being a part of a productive team.

This Meeting Management Training Course assists participants with the meeting conventions and protocols for managing formal, informal and e-meetings. Participants learn to apply tools and techniques in planning, participation, and concluding of successful meetings. Course activities include building a positive climate during a meeting, and following the best practices of verbal and nonverbal communication.
