COURSE LENGTH: 1.0 DAYS

In addition to the willingness to share knowledge and experiences, other mentoring skills are necessary to effectively transfer them to the mentee. The Mentoring Training course is for mentors to learn the duties, responsibilities and specific behaviors they must observe to ensure a successful and rewarding mentorship program.

The Mentoring Training course covers the following topics: what is mentoring and its application for improvement in the workplace, importance of mentoring, how to create, maintain & transition a mentoring relationship, behaviors to avoid and observe in a mentoring relationship and much more.

This comprehensive training course is available across the U.S., including Atlanta, Austin, Baltimore, Birmingham, Boston, Charlotte, Chicago, Dallas, Houston, Jackson, Los Angeles, Manhattan, Miami, New York, Orlando, Philadelphia, San Antonio and Seattle.

MENTORING TRAINING COURSE OUTLINE

FOREWORD

Mentoring isn't what it used to be. In today's high-tech, global economy, the days of stiff hierarchy and loyalty to the status quo are long gone.

Today's mentors understand that they have as much to gain from building close working relationships and sharing their experience with others as they have to give. Whether you are entering an informal arrangement or a formal training program, learn how to make mentoring more meaningful for everyone.
