COURSE LENGTH: 1.0 DAYS

Microsoft Project 2016 is one of the most popular scheduling and project management programs on the market.

The PD Training Microsoft Office Project 2016 Introduction Training Course covers the basics of using Project 2016 and how to set up a simple project, including how to configure the project calendar, tasks, resources, and more.

We use secure Video Conferencing with interactive features such as live polling, screen sharing, whiteboards, live chat and breakout sessions. Please discuss your preferred platform, most commonly we use Microsoft Teams, Skype for Business, Webex or Zoom upon request.

These courses are facilitated in English, and are open to people from different industries across the United States, Australia, New Zealand, Singapore, Malaysia and Hong Kong - this is a short but powerful learning experience that gives you global collaboration opportunities. Our trainers and processes have been refined to give you a personalised learning experience.

**Please note, these classes run to a very tight schedule, please follow the invitation and join the class 10-minutes prior to commencement so you are ready to participate and don't miss a minute!
