Decision Support  
Problem Solving &  
Decision Making

**COURSE LENGTH: 2.0 DAYS**

PD Training's Problem Solving and Decision Making Training course teaches you how to identify problems as well as the steps and tools that will help you to arrive at rational decisions based on facts and good judgment.

After completing this 2-day course, you will have learned: how to identify a problem, types of decisions, steps and tools in problem solving, analysis of information about the problem, how to be an active member of the problem-solving team, selecting the best solution and creating a plan for its implementation, how to avoid common decision-making mistakes and much more.

This comprehensive training course is available across the U.S., including Atlanta, Austin, Baltimore, Birmingham, Boston, Charlotte, Chicago, Dallas, Houston, Jackson, Los Angeles, Manhattan, Miami, New York, Orlando, Philadelphia, San Antonio and Seattle.

---

## PROBLEM SOLVING AND DECISION MAKING TRAINING COURSE OUTLINE

---

### FOREWORD

Correct and timely decision making can be done using specific techniques and enhanced knowledge of the self and situations. During this Decision Making Training Course, participants receive training in applying problem solving to help decision making, identify appropriate solutions, use creativity, evaluate situations and people, predict outcomes, and more.

Having a process to work through can take the anxiety out of problem-solving and make decision-making easier. That's what this two-day workshop is all about.

---

### OUTCOMES
