1.0 DAY COURSE

Allowing yourself to be controlled by your anger can have disastrous results in the way you behave or react to situations or other people. The Anger Management workshop by PD Training teaches you how to manage anger so that it does not control you but helps you control it.

This workshop teaches: the process of finding a deeper understanding of the realities of anger, learning the helpful and unhelpful ways to deal with anger, how to “blow off steam”, controlling stressful situations in a positive manner, the benefits of managing anger to improve your personal and professional life and much more.

This comprehensive and valuable training course is now available across the U.S., including Atlanta, Austin, Baltimore, Boston, Charlotte, Chicago, Dallas, Houston, Los Angeles, Manhattan, Miami, Orlando, Philadelphia, San Antonio and Seattle.

## What You'll Gain:

Benjamin Franklin once said, *"In this world nothing can be said to be certain, except death and taxes."* We would add a third item to his list: anger. Anger can be an incredibly damaging force, costing people their jobs, personal relationships, and even their lives when it gets out of hand. However, since everyone experiences anger, it is important to have constructive approaches to manage it effectively.

This **Anger Management Training** program will help teach participants how to identify their anger triggers and what to do when they get angry.

## Outcomes
