[1.0 DAY COURSE](#)

In business communication, it is important to be able to understand what is and what is not being said through reading the other persons' body language. The Body Language Training course from PD Training enables you to not only develop the ability to interpret other people's body language, but also how to manage your own body's communication.

You will learn the following topics in this course: what is body language, the importance of understanding body language, interpretation of voice variations, facial expressions and gestures, differences in body language between genders, common body language mistakes to avoid, how to manage and use body language to improve communications and much more.

This comprehensive training course is available across the U.S., including Atlanta, Austin, Baltimore, Birmingham, Boston, Charlotte, Chicago, Dallas, Houston, Jackson, Los Angeles, Manhattan, Miami, New York, Orlando, Philadelphia, San Antonio and Seattle.

## What You'll Gain:

The ability to interpret body language is a skill that can enhance anyone's career. Body language is a form of communication, and it needs to be practiced like any other form of communication. Whether in sales or in management, it is essential to understand the body language of others and exactly what your own body is communicating to others.
